INELTEK
Design-In Expertise & Service

Zentel - DRAM Portfolio

COMPONENTS

DDR1	512Mbit	x16	2.5V	TSOPII-66
DDR2	512Mbit - 1Gbit	x8 / x16	1.8V	FBGA-60/84
DDR3 • DDR3L	1Gbit - 8Gbit	x8 / x16	1.35V • 1.5V	FBGA-78/96
DDR4	4Gbit - 8Gbit	x16	1.2V	FPGA-96

MODULES

DDR3	2GByte / 4GByte	SODIMM

Zentel Facts

- **Long Term Player**
  - Japanese roots since 2002
  - Industrial & Automotive Portfolio
  - DRAM Components & Module Portfolio
  - 512 Mbit up to 8 Gbit
- **Special Features**
  - DDR3(L) with Hardware Protection against Row-Hammer Attacks (2-8 Gbit)

Ineltek Offer

- We bring innovations to kick-start your projects
- Our application team supports your developers
- We facilitate access to vendor experts to enhance your development
- We offer you a stable supply chain for production

Plan your memory demands now!
